

Announcing Our New Medical Membership Plan

Specifically Designed for
Uninsured Individuals, Families
& Small Businesses.

This is not an insurance plan

You must visit Physicians Immediate Care Urgent Care Centers to utilize your plan benefits. Benefits do not apply anywhere else. All visits to Physicians Immediate Care are covered under your plan with only a \$20.00 utilization fee per visit

Scope of Services:

- All general medical care (injuries, acute illnesses, most covered by a general medical practice)
- X-rays
- Minor Emergencies
- Repair of cuts and wounds
- Lab draws
- Access to generic medicines
- Splinting/bracing for sprains, strains, and fracture care
- Sports medicine
- Various physicals – including school, sports, work, and general yearly physicals

Membership Fee:

The cost of the plan is \$49.00 per month for individual coverage. Family coverage is \$49.00 for the first individual and \$39.00 for each additional family member per month.

Please return the enclosed application and one of our staff members will contact you for additional information. A checking account in good standing is required for membership. Fees will be automatically deducted at the beginning of each month. A minimum six month contract is required. A sixty day written notice of cancellation is required. First and last month's payment are due upon inception of plan.

Additional Services Available:

(Not included in the monthly plan fee/utilization fee)

- Immunizations
- Blood tests
